Steps to obtain Commencing Work permission online

Submitting work request through the below link along with all required documents / drawings

TIO Reviews the application in 3 working days

Once application is approved, payment link will be shared to pay BD50 security deposit

Once work is done, villa owner should contact the call center on 80008880 to refund the security deposit Villa owner should share the approval with his workers to show it to security guards / Site Supervisors Once payment is confirmed, Commencing Work permission will be issued (villa owner should comply with all comments provided)

TIO Engineer will then arrange for an appointment with the villa owner for inspection to ensure work have been done as per TIO's approval

Once the inspection is approved, security deposit will be refunded within 10 working days
